## Island Freezers / Coolers

This pioneering product from Celfrost comes in three different capacities – 330 litres, 450 litres and 660 litres. IL 660 has two cooling zones each having a capacity of 330 litres and comes with two compressors facilitating each zone to be used as a freezer or a chiller or one zone as freezer and the other as a chiller. A revolutionary product most ideal for supermarket application, this can also be used as an ice cream parlour showcase by installing a locally made glass canopy on top of the machine.
